

TRIO

OPERATE INSTRUCTIONS

TO OPEN:

Note: Always operate from the centre.

1. Lift slightly the front board, just to unlock the mechanism

2. Pull it towards you until the mechanism is completely opened

3. Flip the seat cushions over so they lie flat and use the cushion which is stored underneath for the head area.

1. Lift slightly the front board

2. Pull it towards you until the mechanism is completely opened

3. Flip the seat cushions over so they lie flat. Use the back cushion for the head area.

TO CLOSE: Do the reverse steps from above.
