

BIFOLD OPERATE INSTRUCTIONS

TO OPEN:

Note: Always operate from the centre.

1. Remove the seat and back cushions.

2. Lift up the cover that covers the mechanism, then simultaneously lift and pull towards you from the centre of the metal tube until the mechanism legs touches the floor.

3. Pull the centre of the rear bar (that are as well the mechanism's legs) towards you until sofa bed opens completely.

TO CLOSE: Do the reverse steps from above.
